ABOUT SILSAL

Silsal is a creative homeware brand founded on the belief that great design is for everyone – it surprises, tells a story and makes the everyday less ordinary. Since launching in 2013, the company has developed a reputation for producing contextual and elegant homeware – from dinnerware to objets d’art and storage to drinkware. The Silsal handprint can be seen in flashes of the past and future, in the delicate duality of art and function, modern form and traditional aesthetics.
